CHAPTER 00 - N/A

SUBCHAPTER 00 - N/A

PART 1 - Reduced Fare Bus Pass Program for Seniors and Individuals with Disabilities

1.1 Purpose

RIPTA's Reduced Fare Bus Pass Program (the "Program") enables seniors (aged 65 or over) and individuals with qualifying disabilities (collectively "Eligible Individuals") to ride the RIPTA system at reduced fare rates, as such rates are set by RIPTA in accordance with its authority to set fares under R.I. Gen. Laws § 39-18-4. To qualify for reduced fares, individuals must obtain a Reduced Fare Bus Pass as provided in this Program, which supersedes all prior programs, policies and procedures regarding reduced fares.

 - a. Driver's license
 - b. U.S. Passport
 - c. State Identification Card
 - d. Veterans Administration ID Card
2. Qualifying as a Senior. To qualify as a senior, individuals must show proof of age by providing any one of the following:
 - a. Driver's License
 - b. Passport
 - c. Medicare Card
 - d. Green Card/Citizenship Papers

3. Qualifying as a Person with a Disability. To qualify as a person with a disability, individuals must provide one of the following:

 - b. Department of Veterans Affairs Letter (with disability rating at or above 40%)
 - c. In the event that an applicant does not have any of the foregoing documentation, the applicant may present a letter from a treating physician with a medical diagnosis that would qualify the applicant as disabled for purpose of receiving SSI/SSDI benefits, with such diagnosis subject to verification by RIPTA. The letter must be signed by the physician and must include his/her medical license number. In the event that an applicant is unable to present such medical documentation, RIPTA will consider other documentation and factors on a case-by-case basis.
 - d. A Certification of Disability issued by the Rhode Island Office of Rehabilitative Services (“ORS”) showing that they have a disability that would qualify them for SSDI or SSI benefits.

B. An individual who establishes eligibility as a senior or a person with a qualifying disability will be entitled to either an “All Day Pass” or a “Limited Day Pass.” All Day Passes will permit Eligible Individuals to ride a RIPTA bus at any time for a reduced fare. However, no fare reduction will apply on special service routes or over-crowded routes, as determined by RIPTA. Limited Day Passes will permit Eligible Individuals to ride a RIPTA bus for a reduced fare during non-peak ridership hours. Non-peak hours are as follows:

1. Weekdays: Before 7:00 a.m.; between 9:00 a.m. and 3:00 pm.; and after 6:00 p.m.
2. Weekends & holidays: All day.

1.3 Requirements of Income Eligibility

A. Whether an Eligible Individual is able to obtain an All Day or Limited Day Pass will depend on that individual’s income. All Day Passes will be available to Eligible Individuals whose income falls below the income means-test established by the Rhode Island Executive Office of Health and Human Services (“EOHHS”). The means test threshold is currently set at 200% of the federal poverty level. Limited Day Passes will be available to Eligible Individuals whose income falls above the means test threshold.

1. Note that this threshold is subject to change. In addition, RIPTA reserves the right to waive the income requirements for special programs, or to enter into contracts that may provide bus passes that may deviate from

this policy. No contracts or waivers shall affect the provisions regarding use of bus passes.

4. RI DHS Supplemental Income Verification Notice

1.4 Reduced Fare for Attendants
